

金沢大学環日本海域環境研究センター・国際ワークショップ
Institute of Nature and Environmental Technology, Kanazawa Univ.
International Workshop on Earth Environment in East Eurasia

Environmental Changes and Processes in East Asia
東アジアにおける環境変動と地表プロセス

日 時 2012年12月12日(水) 13:30~17:00

Date: December 13, 2012

場 所 自然科学図書館棟 G-15

Venue: Kanazawa Univ., Natural Science and Technology Room G-15

Chairs: Kashiwaya, K., Hasebe, N., Fukushi, K.

<<Mongolia>>

1. Studies on environmental changes and processes in Mongolia
Battsengel, V. (National University of Mongolia)
2. Environmental geological studies in Mongolia
Tomurtogoo O. (Institute of Geology and Mineral Resources, Mongolia Academy of Science)
3. Environmental geography in Mongolia
Dorjgotov, D. (Institute of Geography, Mongolia Academy of Science)

<<North-east China>>

The change of land use/cover and eco-security evaluation of Tumen River
trans-boundary region
Nan, Y., Ji, Z., Ni, X.J., Feng H.D., Zhang, C.C. (Yanbian University)

<<Korea>>

1. Studies on environmental changes and processes in Korea
Yang, D.Y. (Korean Institute of Geoscience & Mineral Resources)
2. Hydro-geomorphological studies in Korea
Tanaka, Y. (Kyunhee University)

<<Taiwan>>

Dynamic environmental hazard study in a dynamic environment, Taiwan
Lin, JC (National Taiwan University)

(tentative program)
