

Sakura Exchange Program in Science

# ***Dalian-Kanazawa Joint Symposium on Material Chemistry***

December 16 (Fri), 2022

1450-1525

**Masahiro Murakami** (Kyoto University)

Utilization of Energy of Photons for Organic Synthesis

1525-1600

**Wan-Hui Wang** (Dalian University of Technology)

Aqueous Hydrogenation and Dehydrogenation  
Catalyzed by Functional Complexes

1615-1650

**Seiya Nagao** (Kanazawa University)

Spatial and Temporal Variations of Polycyclic Aromatic Hydrocarbons in Sea Waters around Japanese Archipelago

1650-1725

**Masahiko Yamaguchi** (Dalian University of Technology)

Reversible Self-catalytic Reactions.  
What Is Chemical Reaction?
